

Life Is a Symphony

*Meet Luke Baker...
principal bass and mas-
ter griller*

When Luke isn't burning up the backgammon board (he recently won 17 straight matches on the internet), he's grilling epicurean delights on the barbecue.

A member of the VSO since 2000, Luke lives in Pittsfield, MA, with his wife, 16-year-old son, dog and cat.

His favorite composer is Schubert, and his favorite way to spend an evening is watching the Red Sox win.

The best advice he ever got was "Persevere!" – the last word Lawrence Wolfe said to him at the New England Conservatory. No wonder Luke's a Red Sox fan.
