

Life Is a Symphony

Meet Hilary Hatch... *violinist and straight shooter*

Hilary is a graduate of Bennington College, a crossword puzzle whiz, a keen gardener, and a doting grandmother. Her witty and elegant program notes often grace our concert programs.

She also has a couple of tattoos, tends to get lucky gambling in Vegas, and is a great shot from 50 paces. She never misses! A VSO concert, that is, despite M.S., hip surgeries, and a full-time job as an R.N. at Porter Hospital in Middlebury.

Secret ambition: to be a fly on the Oval Office wall

Favorite vice: Jack Daniels

Most proud of: her kids and her marriage

Long-range aim: to learn to relax

Hilary and her dueling personalities have been with the VSO for 25 years.
