

Life Is a Symphony

*Meet Marilyn Johnson...
violinist, string teacher,
and Bruins fan*

Marilyn has been playing with the VSO for over half her life. ("Amazing.") She's very proud of her orchestral program in the Hanover, NH, schools, and of her long tenure in the Alcott Ensemble, a piano quartet.

Mother of two and grandmother of one, in her spare time ("ha!"), she likes to hike, garden, travel – and watch the Boston Bruins whenever possible.

Her secret ambition is to ride in a horse show; her pet peeve is people who talk during concerts. Given her love of hockey, you might want to consider this a warning.
